Reference: October Quarterly Report (7/1/98-9/30/98)

Dear Ms. Newman:

On October 27, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 5, 1998, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule B of your report (pertinent portion attached) discloses a contribution(s) which appears to exceed the limit set forth in the Act. The Act precludes an individual or a political committee, other than a qualified multicandidate committee, from making a contribution to a candidate for federal office in excess of \$1,000 per election. (2 U.S.C. §441a(a))

Please note that contributions designated in writing by the contributor for a particular election must be attributed to that election. Contributions not designated in writing by the contributor will be considered made for the next election for that Federal Office (11 CFR §110.1(b)(2)(i) and (ii)).

If the contribution(s) in question was not completely or correctly reported, you should amend your original report using the correct information. If the contribution made was excessive, you should notify the recipient and request a refund of the amount in excess of \$1,000. You should inform the Commission in writing of such a refund and provide a copy of the refund
